

Thanks for your interest in becoming a Delivery Partner with Amazon Flex!

New York state law requires a commercial or business car insurance policy that covers the pick-up and delivery of goods that may include delivery of Amazon packages, alcohol and food from the restaurants or grocery stores and similar goods. **Feel free to show this to your insurance company to verify whether you have the required coverage.**

Amazon Flex Overview: Amazon Flex is a program that provides individuals opportunities to make a supplemental income delivering Amazon orders as an independent contractor. Please visit <https://flex.amazon.com> for more information!
